The Board of Education has five members. Leslie Getting is president at the present time. Harriett Raymond is secretary of the Board of Education and C. F. Watters is treasurer. They are elected for a term of 2 years. Their terms expire in rotation so at no time is there a completely new board. They meet monthly and special meetings are called when necessary. OSCAR

GACKE

Oscar Gacke, our janitor man,
Is all the students favorite fan.

Whenever we happen to want pop,
He's always ready with a dime to swap.

Or if it's candy or gum we prefere,
He'll get it for him or her.

Sometimes he even offeres advice,
For these reasons he is awfully nice.

I just can't understand why,
He is such a darn swell guy.

He's never cross to our surprise,
Still I know we tantalize.

Each morning he has a cheery hello,
As all the kids in S.H.S. know.

And he's always there as bus driver,
He make's our trips seem kind of livlier.

And Oscar is just the sort of man,
The gals all want to catch, if they can.

He's a good sport and so sincere,
I'm kind of sorry I won't be here next year.

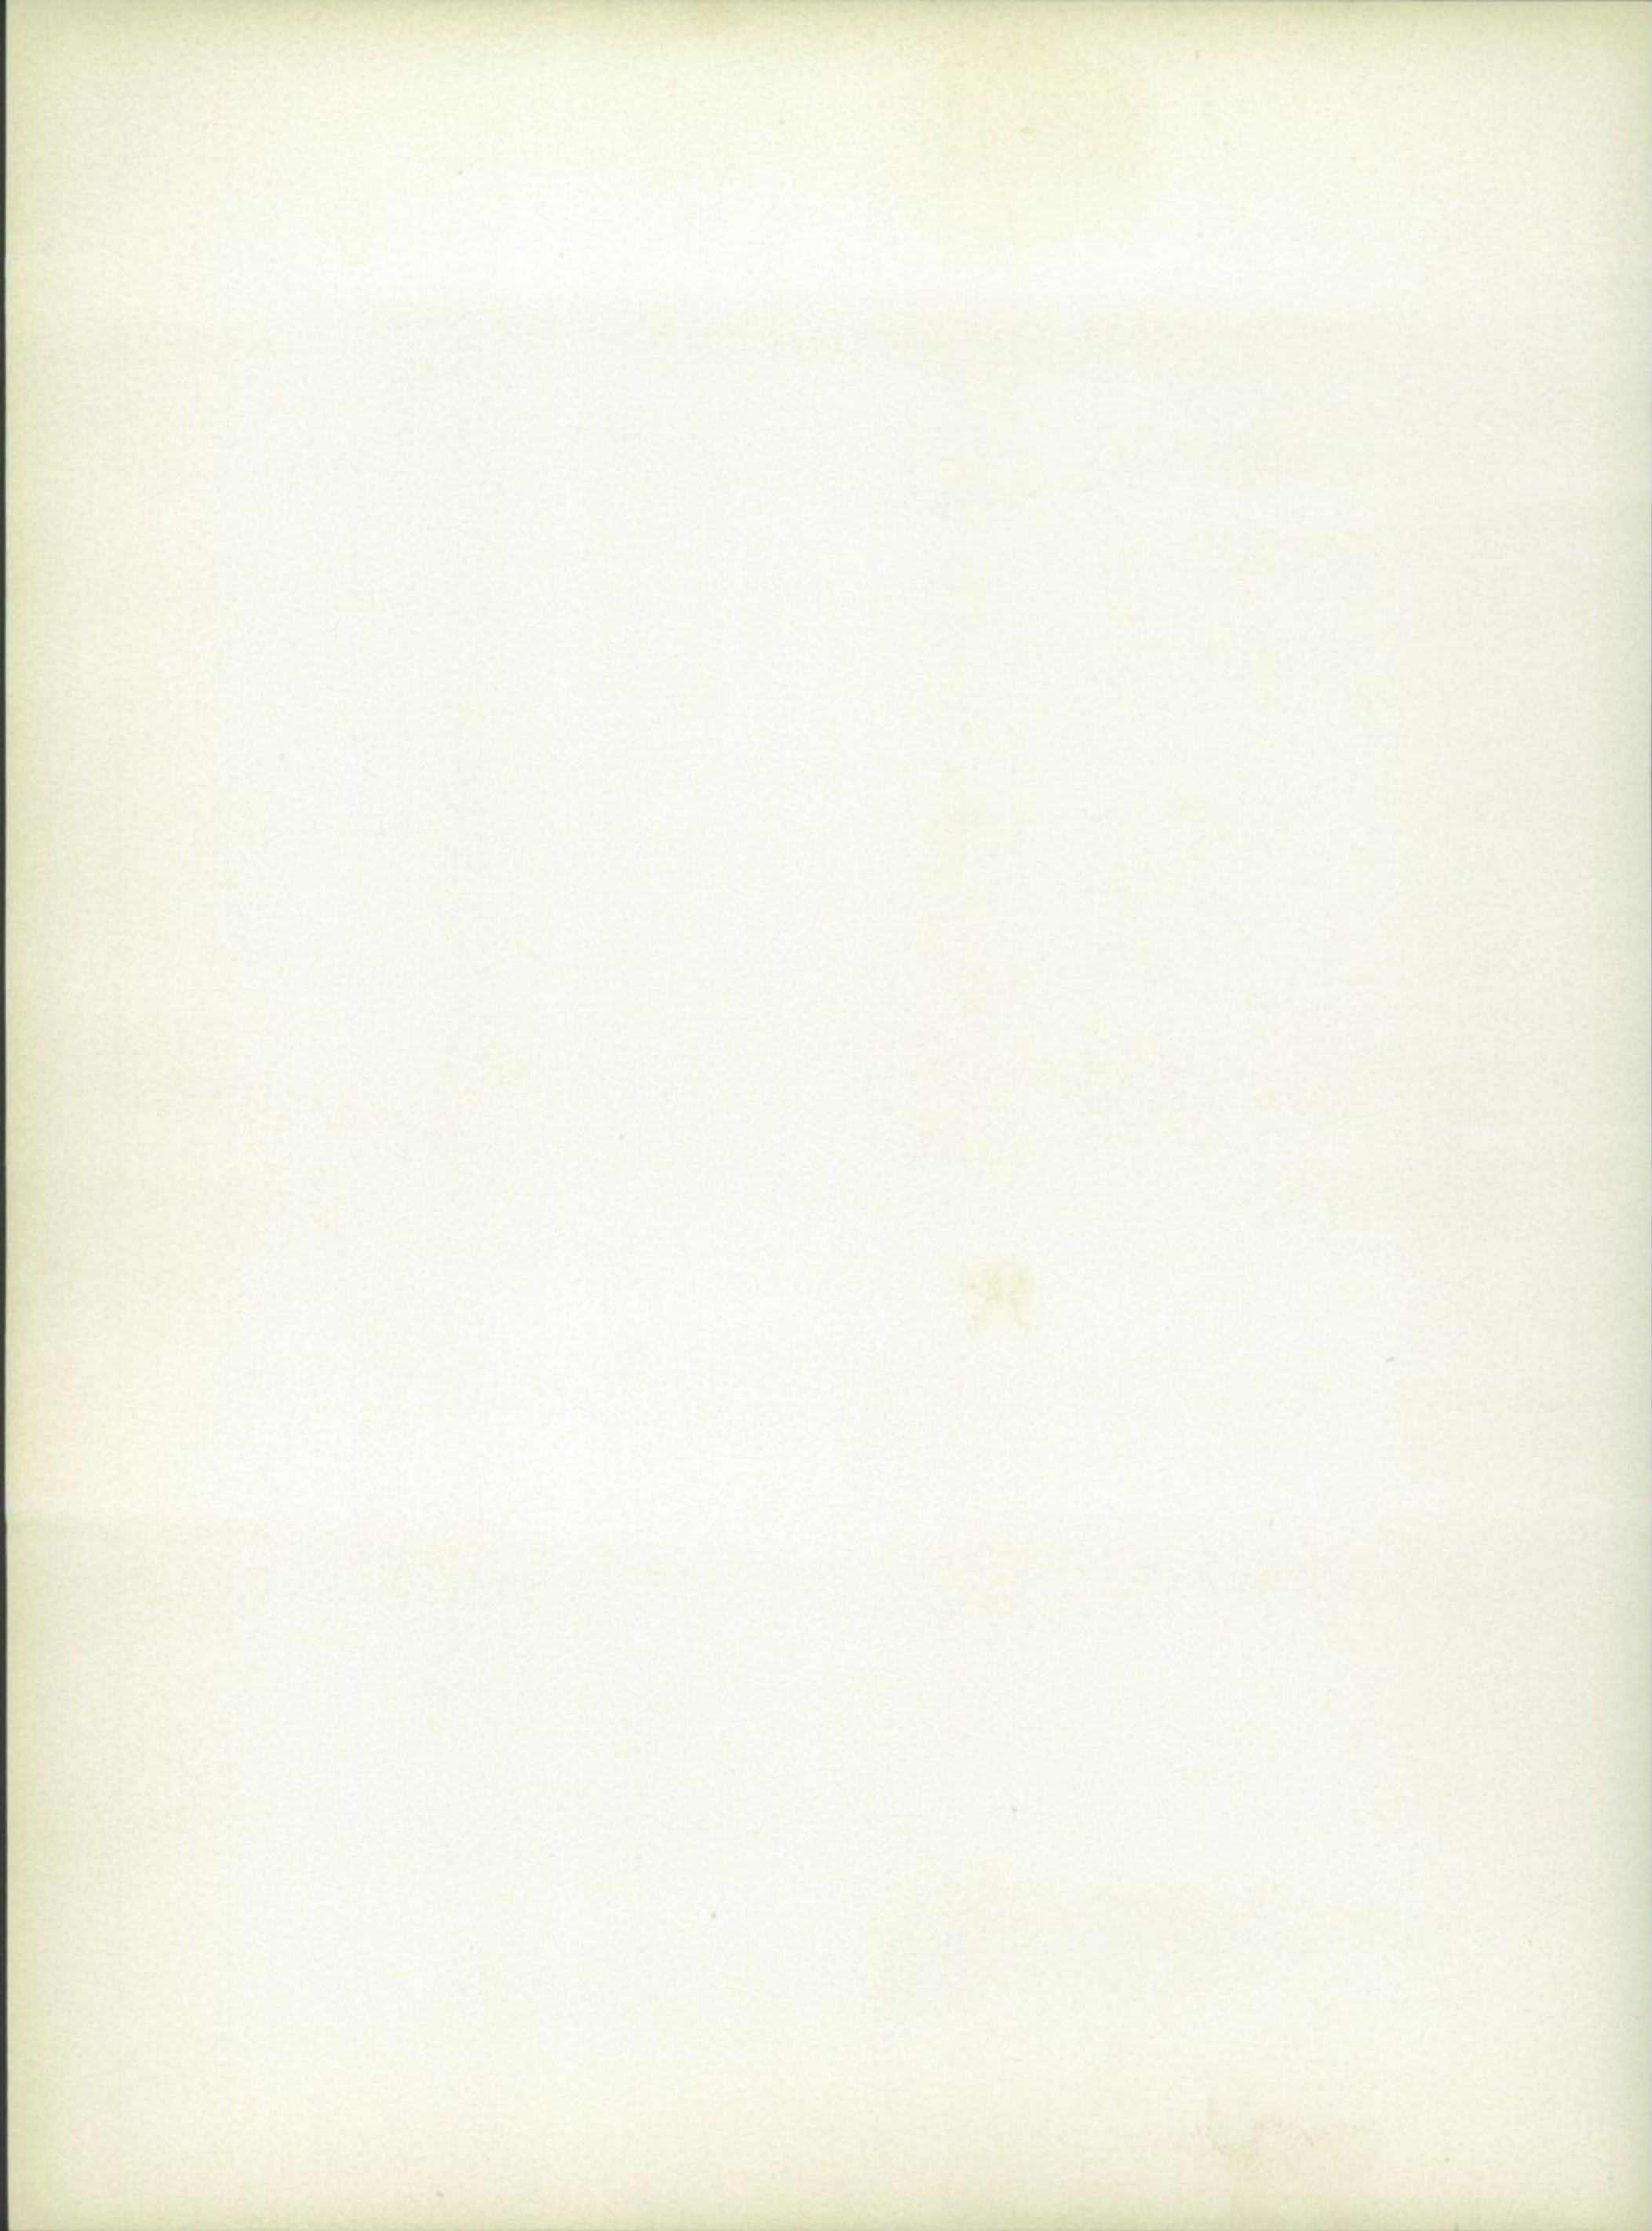

And Oscar these bouquets we're sending to you,
Are not one bit more than your just due.

VIEWPOINTS

Head downward hung the bat;
 He looked on field and town.
 "It's plain," he chattered, "that
 The world is upside down!"

"How funny!" laughed the pup;
 "But then, it isn't true.
 The world is right side up;
 What's upside down is you!"

EVERY CHILD OF EVERY LAND

Let every child of every land
Join hands in this glad game,
For though our speech may different be,
Our laughter is the same.

For though our speech may different be,
The same sun shines on all,
And loves to see all children glad
That live on this green ball.

Circus day was one of the outstanding and exciting days of the year. The preparations were made by us and we read "The Circus Book" by Smith and discussed the many things we would see at the Shrine Circus in Sioux City. We decorated our bulletin board "under the big top" and put all the things we thought we might see at the circus. After our return from the circus trip we had even more sights to add. The circus was such a success and we enjoyed it so much that we decided for the spring music program we would put on a "Tom Thumb Circus" with all of us as the circus people and animals.

The Second Grade children made two paper mach'e animals. We saw the pets "Puff" and "Tim" in our reading book.

We also made a play-store. Several of us brought empty containers and priced each article. The money gave us practice in counting by tens and fives, we also started to count change.

The post-office was our next venture. We visited the Sanborn Post Office. The post-master showed us the different stamps, the boxed and explained the process of distributing the mail both in town and in the country. We made a post office in school. Each of us had a mailbox and we each got to distribute the mail.

On October 1, 1952 the First Grade visited the Jess Walvoord and Lloyd Getting farms. Oscar Gacke drove the bus, while two mothers and our teacher went along. We saw many farm animals. It was fun to have a ride in Paul's big toy car. When we returned to school we made a farm in our room.

Just before Valentine's Day we baked Valentine Cookies. Several children brought the butter, sugar, salt, eggs, flour and soda from home. We took turns mixing the batter and Miss Behrens helped us put them in the oven to bake.

Our reading stories were about Dick, Jane, and Sally. Sally had a pet dog, kitten, duck, and rabbit. We liked to read about the funny family.

In art we learned the basic colors, and did mostly creative work. Our music time was spent learning songs and playing rhythm games.

In the fall the band journeyed to Sioux Falls for an outing. We left home about 7 o'clock and upon arrival we planned our tour for the day. We went through the Meat packing plant. We had lunch and had the afternoon free to do what we wanted. We left for home about 5 o'clock. It was sponsored by the Band Mothers and we enjoyed it very much.

The chapter had a very successful year. Our main event of the year was our carnival on March 27th. For the first time the chapter sold garden seeds and Christmas and all occasion cards. Each was a big success.

The chapter also sent the officers to the State convention in Des Moines on April 16th. through the 18th.

There was a parliamentary team consisting of Mick Epping, Don Rubsam, Gale Rubsam, LeRoy Rozenboom, and Arwin Van Nyk which received a second rating at Spencer. Gerald Ericson represented the chapter in the Freshman Creed speaking and he received a third rating.

Sanborn's first annual All Activities Banquet was held on Saturday evening, March 14, 1953. A delicious meal was served after which the master of ceremonies, Mason Dixon, took over and introduced the parts of the program. Mr. Pickford gave out the football letters and girls basketball letters and immediately afterwards the football and girls basketball representatives gave a short speech. Mr. Bonthius handed out the basketball awards followed by a speech by the boys basketball representative. Mr. Muro entertained with some special music followed by a report on school activities by Supt. Erwin. Mr. Noll then gave his credits to the Junior High football team. Mr. Muro gave out the music awards followed by a speech by the representative of the music group.

The entire banquet was very much enjoyed by everyone and we hope that many more programs like this will be held.

The Junior-Senior Banquet was held in the High School Gym May 9, 1953 at 6 o'clock. The menu consisted of swiss steak, potatoes, gravy, corn, set salad, relish rolls, tomato juice cocktails, ice cream and wafers, and coffee. The theme of the banquet was "Hitch Your Wagon to a Star". The curtain of the stage was decorated with stars to look like the sky and the opposite side of the floor was made into a rock wall. One end of the gym was made into a garden and a wagon was suspended in the air and hitched to a star. The tables were arranged in the shape of a star. Bob Crawford was master of ceremonies and kept things rolling. The guest speaker was Rev. Dean Williams who talked on our theme of hitching your wagon to a star. Laurel Ericson and Luann Wagner gave short speeches. Eileen Damman favored us with the piano solo "Stardust" and Jean Hickey sang "When You Wish Upon a Star". The banquet was very lovely and we wish to thank the Juniors for the fine job they did in putting it on.

COOKS

First Row: Mrs. Storm, Mrs. Rohrs
Second Row: Ruth Warnke, Mrs. Jacobsen

Our cooks I am sure deserve much cheer
For the work they have done throughout the year.

Behind the scenes they're often found
They worked so hard the whole year round.

Each day our meals they did prepare
For always there were many there.

Now everyone I know
Their gratitude would like to show.

So thank you cooks for all you've done
Were sure the honors you have won.
